EXPERIENCE

Python Development Intern

Apr 2026 – May 2026

QSkill Media · Virtual Internship · 31 Days

- Completed a month-long virtual Python development internship, building practical applications across multiple domains.
- Demonstrated strong analytical skills and quickly adapted to emerging technologies with a high level of productivity.
- Collaborated effectively with team members and received a Letter of Recommendation from the Co-Founder, SR INDIA.

Head of Management

Aug 2025 – Jan 2026

GDG on Campus, HRIT · Leadership Role · 6 Months

- Led management and organisational operations for the Google Developer Group chapter at HRIT.
- Coordinated events, workshops, and team activities to foster an active developer community on campus.

PROJECTS

LinkedIn Profile Coach — AI Agent

Live

Agent.ai · agent.ai/agent/srq2a11gg9302cm1

- First independently built AI agent — demonstrates hands-on Agentic AI and prompt engineering expertise.
- Analyses user-provided LinkedIn profile data and generates personalised, engagement-boosting post strategies.
- Deployed live on Agent.ai and rated 5.0 / 5 by users.

Personal Portfolio Website

Live

Live at: kartiktiwaridev7.github.io/My-Portfolio-2

- Fully responsive multi-page portfolio built with HTML, CSS, and JavaScript.
- Features dedicated sections for projects, skills, and a digital resume; compatible across all screen sizes.

Student Attendance Management System

Academic Project

- College project for real-time student attendance tracking built with HTML, CSS, and JavaScript.
- Focused on clean UX, structured data management, and an intuitive classroom interface.

Python Development Suite

Personal Project

- Built Banking, Hospital, and Hotel Management Systems applying OOP, file management, and database integration.
- Additional utilities include a Password Generator, QR Code Generator, and Personal Expense Tracker.
